INSTRUCTIONS FOR COMPLETING INJURED WORKER PAYROLL AND EMPLOYEE OF SAME CLASS PAYROLL

Injured Worker Payroll

Week Ending Date: Enter the week ending dates for each of the 52 weeks immediately prior to the date of injury/illness.
Days Compensated (including paid time off): In the "**Days Paid**" column, give the number of days worked in the employment for which the worker was paid, including paid time off. If days paid (compensated) is zero, provide an explanation in question 7 on page 1. Do not include accrued time such as vacation time.
Gross Amount Paid including Overtime: Enter the injured worker's average weekly gross pay (prior to taxes), including overtime. Do not use the injured worker's take-home pay. "Wages" means the money rate at which the service rendered by the injured worker is compensated under the contract of hire in force at the time of the injury.

Employee of the Same Class Payroll: Give the gross weekly wages for an employee of the same class if the injured worker worked less than a substantial part of the year (234 days for a 5-day worker, or 270 days for a 6-day worker). In addition, provide name of employee in the same class and their job title. NOTE: "Number of days worked" is a guideline, and the Board may find that an injured worker has worked a substantial part of the year even if the injured worker did not work 234 days (5-day worker) or 270 days (6-day worker).

If attaching payroll information, do not submit page 2. All attachments should include the Injured Worker's full name, WCB Case # and Date of Injury/Illness.
